

Lý Thanh Hải

Software Developer

Name Lý Thanh Hải

Birth 11/07/2001

Phone 0978337444

Email lythanhhait@gmail.com

Address Danang, Vietnam

Overview

Currently, I am a full-time student (in my third year) at Danang University Technology and Science DUT. My main major is software development. I am extremely passionate about web and I want to become a software engineer in the future. I am always interested in learning new skills in order to expand and apply my knowledge into latest technology trend.
