

# Lý Thanh Hải

Front-end developer

**Name** Lý Thanh Hải

**Birth** 11/07/2001

**Phone** 0978337444

**Email** lythanhhait@gmail.com

**Address** Danang, Vietnam

## Overview

Currently, I am a junior at Danang University Technology and Science. My main major is software technology at my university. Although now I haven't much experience in this major, I am extremely passionate with website and I want to become a front-end engineering in the future. I always try to improve my skill as well as learning multiple knowledge related to website in order to support for my jobs. In addition, I have ability to learn and apply new technology quickly.
